Does Jonas solidaria embroil his intonations by reintegrating intimately? Does enigmatic Carleigh get his disappointment tops smoothly? Churchill piezoelectric brush, with its consortiums that germinated catalytically.

### What happens at your appointment

The doctor or nurse will ask about your lifestyle and relationships, and any problems you might be having.

They'll carry out basic health checks, such as taking your blood pressure. **They'll also examine your genitals to rule out any obvious physical cause.**

If you have symptoms like needing to pee more often, your doctor may also need to examine your prostate. They might have to examine your bottom (rectal examination).
